**HIV/AIDS**

Clinical Advances in HIV: Optimizing Patient Care (landing page for multiple programs)  
<http://www.medscape.org/sites/advances/hiv-art-of-treatment>

HIV Treatment: An Update From Podium to Practice  
Renslow Sherer, MD; Carlos del Rio, MD; Charles Hicks, MD  
CME/CE Released: 12/22/2015; Valid for credit through 12/22/2016  
<http://www.medscape.org/viewarticle/853727>

From Poster to Practice: HIV Therapy to Improve Patient Care  
Paul E. Sax, MD; Joseph J. Eron, MD; Ian Frank, MD  
CME/CE Released: 12/04/2015; Valid for credit through 12/04/2016  
<http://www.medscape.org/viewarticle/853726>

HIV 2015-2016: New Agents, New Strategies  
W. David Hardy, MD; Sally L. Hodder, MD  
CME/CE Released: 02/22/2016; Valid for credit through 02/22/2017  
<http://www.medscape.org/viewarticle/858000>

Preventing HIV Infection: Ask the Right Questions  
George P. Kent, MD  
CME Released: 09/22/2015; Valid for credit through 09/22/2016  
<http://www.medscape.org/viewarticle/846256>

Preventing HIV Infection: One Sexual History at a Time  
Lisa Navracruz, MD  
CME Released: 09/22/2015; Valid for credit through 09/22/2016  
<http://www.medscape.org/viewarticle/848916>

Preexposure Prophylaxis: Translating the Clinical Trials into Clinical Practice  
Paul E. Sax, MD; Raphael J. Landovitz, MD, MSc  
CME Released: 09/22/2015; Valid for credit through 09/22/2016  
<http://www.medscape.org/viewarticle/845884>

Stopping the Epidemic: HIV Prevention Today  
Daniel S. Fierer, MD; Demetre C. Daskalakis, MD, MPH  
CME Released: 09/22/2015; Valid for credit through 09/22/2016  
<http://www.medscape.org/viewarticle/845882>

PrEP in HIV Prevention: A Personalized Learning Approach to Stemming the Epidemic  
<http://www.medscape.org/personalized-learning/6006690>

PrEP in Women: Special Considerations  
Monica Gandhi, MD, MPH  
CME Released: 05/29/2015; Valid for credit through 05/26/2016  
<http://www.medscape.org/viewarticle/843775>

PrEP: Ongoing Care  
José G. Castro, MD  
CME Released: 05/29/2015; Valid for credit through 05/26/2016  
<http://www.medscape.org/viewarticle/843774>

Initiating Pre-Exposure Prophylaxis: The PrEP Checklist  
Christian B. Ramers, MD, MPH  
CME Released: 05/29/2015; Valid for credit through 05/26/2016  
<http://www.medscape.org/viewarticle/843773>

HIV Prevention: A Multipronged Approach  
Susan Buchbinder, MD  
CME Released: 05/29/2015; Valid for credit through 05/26/2016  
<http://www.medscape.org/viewarticle/843772>

## **Gastroenterology**

Individualizing Therapy for Patients With Chronic Hepatitis C Infection  
Kris V. Kowdley, MD; Robert G. Gish, MD  
CME/CE Released: 09/02/2015; Valid for credit through 09/02/2016  
<http://www.medscape.org/viewarticle/848141>

Acute Intermittent Porphyria: How Would You Manage These Patients?  
Manisha C. Balwani, MD, MS; Angelika L. Erwin, MD, PhD; Lawrence U. Liu, MD  
CME/CE Released: 06/24/2015; Valid for credit through 06/24/2016  
<http://www.medscape.org/viewarticle/844978>

Acute Intermittent Porphyria: A View From the Trenches  
Herbert Bonkovsky, MD; Brendan M. McGuire, MD, MS; Lisa Kehrberg, MD  
CME/CE Released: 09/25/2014; Valid for credit through 09/25/2015  
<http://www.medscape.org/viewarticle/831382>

## **General Surgery**

A Practical Guide to the Prevention of Surgical Adhesions  
G. Wright Bates Jr, MD  
CME/CE Released: 11/06/2015; Valid for credit through 11/06/2016  
<http://www.medscape.org/viewarticle/853365>

## **Infectious Disease**

Effective Management of Complicated Urinary Tract Infections

David P. Nicolau, PharmD; Anthony J. Schaeffer, MD Faculty and Disclosures

CME Released: 12/25/2015; Valid for credit through 12/25/2016

<http://www.medscape.org/viewarticle/855564>

The New Landscape of ABSSTI Treatment: Opportunities to Improve Patient Care

Edward J. Septimus, MD; Ellie J. C. Goldstein, MD; Loren G. Miller, MD, MPH; Daniel J. Pallin, MD, MPH

CME Released: 09/18/2015; Valid for credit through 09/18/2016

<http://www.medscape.org/viewarticle/849735>

Advances in Diagnostic Strategies: New Approaches to an Old Problem

Gregory Storch, MD; Beverly B. Rogers, MD; Edward J. Septimus, MD

CME Released: 12/22/2015; Valid for credit through 12/22/2016

<http://www.medscape.org/viewarticle/853728>

## **Dermatology**

Updates in Disease Mechanisms and Targeted Therapies for Atopic Dermatitis

Lawrence F. Eichenfield, MD

CME Released: 09/22/2015; Valid for credit through 09/22/2016

<http://www.medscape.org/viewarticle/849745>

Therapeutic Strategies in the Management of Mild-to-Moderate Atopic Dermatitis

Lawrence F. Eichenfield, MD; Peter A. Lio, MD; Anthony J. Mancini, MD; Amy S. Paller, MD

CME Released: 09/25/2015; Valid for credit through 09/25/2016

<http://www.medscape.org/viewarticle/849733>

## **Allergy & Immunology**

Chronic Idiopathic Urticaria: A Primer on Identification and Treatment

Allen Kaplan, MD

CME/CE Released: 08/28/2014; Valid for credit through 08/28/2015

<http://www.medscape.org/viewarticle/830098>
